Dear Kasia,

Thank you so very much!

Your performance at last Saturday's FAC Gala was stupendous! I was enthralled from the first note to the last. Your choice of material, the arrangements, the variety, and how beautifully you brought each one alive with your voice was brilliant.

I am honored that you gave so much of your time and talent to benefit the Folk Arts Center. My thanks to you are two-fold - both on a personal and a professional level. With great admiration and appreciation,
Marcie
