

Berklee

COLLEGE OF MUSIC

December 9, 1993

To Whom It May Concern:

It is my pleasure to provide you with this letter of recommendation on behalf of Katarzyna Sokalla. In order for Ms. Sokalla to continue her studies here in Boston at Berklee College of Music, she is in need of scholarship assistance.

Katarzyna is indeed most worthy of such consideration. Having enrolled at Berklee in the Fall of 1992, this outstanding singer has already distinguished herself as a formidable performer and dedicated student. Without question, Katarzyna ranks among the very finest vocalists I have come into contact with in my eleven-year association with Berklee College of Music.

Her talents and abilities far exceed the average incoming voice student. I have had many occasions to hear her perform, and each presentation has been an excellent one. All of her teachers, as well as her peers, are quite simply in awe of Katarzyna's abilities. She is equally at home with operatic, jazz and contemporary music. This is indeed rare for professional singers, much less a student of age twenty-two!

Ms. Sokalla was obviously well trained in her native Poland at the L. Rozycki Music High School. I became so impressed with her natural talent that I authorized her private voice teacher to allow her to advance to the third level of voice proficiency during her second semester of private study.

Katarzyna is pursuing a Bachelor's Degree with a Dual Major in Performance and Songwriting. Her grades in all of her courses have been excellent, and she is a positive reflection upon the Voice program. I am hopeful that Katarzyna will be able to complete her studies at Berklee; students of this high level of ability are indeed rare.

If I can provide you with any additional information, please do not hesitate to contact me.

Best wishes.

Sincerely,

Kenneth Greenhouse
