To whom it may concern:

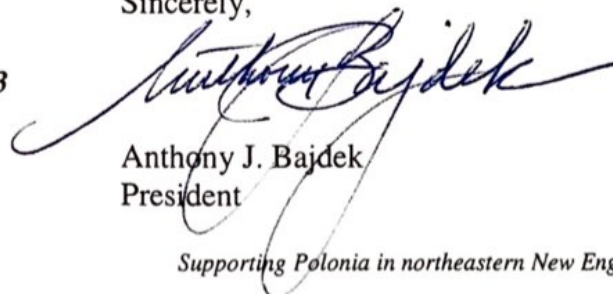

I am writing to you on behalf and in support of Ms. Katarzyna Sokalla of 590 Prospect Street, Methuen, MA 01844, who is a candidate for a position with your organization.

If you seek a vocalist with a truly celestial voice that can range from classical to popular music, exquisitely trained both in her native Poland at the L. Różycki Music School in Gliwice from which she graduated with distinction in 1991, and then from the Berklee College of Music in Boston, Massachusetts where she earned her bachelor's degree *magna cum laude* in 1995, then you should look no further than "Kasia" Sokalla.

Being familiar with her musical artistry, I invited her to perform *a cappella* on February 21, 2003 at the Peabody Essex Museum in Salem, Massachusetts in honor of the visit of Poland's Ambassador to the United States, Dr. Przemysław Grudziński. The Ambassador was so taken by her vibrant performance that he invited her to perform in the Embassy of the Republic of Poland in Washington, D.C. on November 11, 2003, a day which is celebrated by Poles world-wide as "Polish Independence Day", a national holiday in Poland.

I cannot think of a candidate more worthy of your most serious consideration than Kasia Sokalla. Please feel free to contact me on my private line (617-373-2695) at Northeastern University in Boston or by e-mail at a.bajdek@neu.edu if you should have any questions.

Sincerely,

Anthony J. Bajdek
President

Supporting Polonia in northeastern New England and Poland in today's world!
