To Whom It May Concern:

I am pleased to recommend Miss Katarzyna Sokalla as a talented young soprano with a lot of potential. She is a skilled musician, and she is an effective communicator. Her performance is outstanding.

Miss Sokalla is a charming young lady, and she knows how to draw an audience into her performance -- she has stage presence. Her voice is of considerable size and range. With proper training and the right breaks, she could have a fine career. She is adept at both jazz and opera, a most unusual range of talent.

Miss Sokalla's talent is considerably above that of most music students on college and university degree programs. She is serious about her study, and I believe that she will continue to develop her natural talent. I think that she is worthy of financial support to continue her studies.

Sincerely,

Wilbur D. Fullbright
